

46th Annual Trustee Conference

Sept. 17 - 19
Turning Stone, Verona

Healthcare Trustees
of New York State

New venue, same great program.

We are excited to announce our 2026 conference Sept. 17 – 19 at the brand-new and state-of-the-art Grand Expo Convention Center at Turning Stone in Verona. For full details about the venue, visit turningstone.com.

The conference features nationally recognized speakers and thought leaders who will present on the future of healthcare, governance imperatives like optimizing the board/CEO relationship and prioritizing quality and patient safety, and health policy and operational issues like AI and the new Rural Health Transformation Fund.

Anchored by HTNYS' goal of preparing healthcare trustees to effectively carry out their governance responsibilities, this conference is an excellent opportunity to explore the issues impacting your organization, engage in insightful conversations and network with your board colleagues and peers from across the state.
